Comments from head coach Nick Bradley:

Very tough tournament for the monarch wrestling squad. The first dual against Red Oak was by far our best meet of the day. We wrestled very well and matched up well against Red Oak. Earlier this season we lost to them by 12--we only lost by 1. This is a huge improvement for our squad. We have put several people into the varsity lineup that have really helped us gain points--Pastor Rosales, Seth Irwin, Gerardo Chino, Jon Richard. Just by having these guys in the lineup it has helped us fill the gaps in weights we used to give up. We tried our best but we were out classed by better teams on this day. We need to continue to fight the tough opponents to make us better wrestlers.
