Comments from head coach Nick Bradley:

I only took 6 wrestlers to the Le Mars Invitational. The 6 that I took did an outstanding job. We did not get the draws that helped during the seeding meeting. However, the boys did a great job of fighting against their opponents. Jesse Preul had an amazing day finishing 3rd. He came back from an early loss to a Norfolk kid and beat him later that day to get 3rd. This was the best match that I have seen Jesse wrestle all year. He was constantly moving to get away on bottom. He was thinking about the score. He did a great job and has great confidence to win. Jacob Heiden also wrestled extremely well today. Jacob is a very undersized 215 lber. He works extremely hard and is beating a lot of competition. Jacob is very smart in his matches and knows that he has to get ahead and keep the lead for the entire match. Look for big things from Jesse and Jacob in the next month.
